Provo River Commissioner
542 East 1910 South
Orem, Utah 84057

Dear Stan:

Tabulated below are the data for water diverted from the Salt Lake Aqueduct to the Utah Valley Water Purification Plant. The data are for the period Nov. 1981 thru Dec. 1982, and compare the information as reported by you with our diversion record.

Month	Reported by River Comm.	Utah Valley WTP Record	Diff.
Nov. 81	524 AF	523 AF	1 AF
Dec. 81	508	507	1
Jan. 82	611	620	9
Feb.	640	641	1
Mar.	732	733	1
Apr.	924	927	3
May	898	894	4
June	1,025	1,026	1
July	1,098	1,098	0
Aug.	1,109	1,106	3
Sept.	602	602	0
Oct.	240	239	1
Nov.	275	274	1
Dec.	292	292	0
Totals	9,478	9,482	Net diff. = 4 AF

As shown the greatest discrepancy was in January 1982. The overall net difference for the 14 month period is only 4 AF which is very small compared to a total of nearly 9,500 AF. Our records also compared quite closely with those of the Metropolitan Water District of Salt Lake City. If you need any other data please let me know.

Very truly yours,

Carl H. Carpenter
